ARGCO RGH-440 LIGHTWEIGHT HYDRAULIC ROLL GROOVING ATTACHMENT 2" THRU 8" FITS RIDGID 300 (SCH 40 UP TO 4")

SKU: AR-RGH-440
PRICE: $1,599.99

PRODUCT DESCRIPTION

Introducing the RGH-440 Lightweight Hydraulic Roll Groover that can groove 1" to 8" out of the box. Easily mount to the RIDGID® 300 Power Drive or RIDGID® 300 Compact (Using Drive Bar) for machine grooving jobs. The drive bar extension allows you to keep carriage assembly in place while roll grooving on RIDGID® 300 Power Drive.

Features:

- Easily chucks into RIDGID® 300 Power Drives or RIDGID® 300 Compact using Drive Adapter
- Compact design and rugged structure enables unit to handle mass fabrication duty on jobsite
- Unique hydraulic system prevents oil leaks and extends service life
- Grooved depth lock knob ensures high quality grooves and high efficiency
- Swap out drive rollers in 30 seconds
- Capacity: 2" to 4" Sch 7/10/40 and 5" to 8" Sch 7/10/20 Pipe
- Max Pipe Wall Thickness: .236 (6 mm)
