ARGCO SPOTTER FIRE SPRINKLER DROP LASER LEVEL KIT WITH TOLEDO PIPE MAGNETIC CENTER PUNCH

SKU: AR-SPOT-CPP
PRICE: $159.99

PRODUCT DESCRIPTION

Use the full-size Spotter Level to check a sprinkler drop for level or plumb, then attach the magnetic laser to mark a reference point for the pipe penetration.

- Full-size 7-inch magnetic torpedo level with 1-inch male and 1/2-inch female NPT
- Magnetic laser projects a reference point onto a ceiling, wall or floor
- Laser uses three LR44 button-cell batteries

- Includes the Toledo Pipe magnetic center punch for marking hole centers on 1- to 10-inch pipe.

The Spotter Level and laser are made in the USA. The Toledo Pipe magnetic center punch is made in China.
